INSIDE INFORMATION **POSITIVE PROFIT ALERT**

This announcement is made by StarGlory Holdings Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2021 (the “**Reporting Period**”) and the information currently available to the Board, the Group is expected to record a profit attributable to owners of the Company within the range of HK\$0.8 million to HK\$3.8 million for the Reporting Period, while the loss attributable to owners of the Company for the year ended 31 March 2020 was approximately HK\$23.0 million.

The Board considers that the turnaround from loss to profit during the Reporting Period was mainly because (i) there was a decrease in the number of under-performing restaurants as the Group had reviewed the performance of restaurants and consolidated under-performing restaurants to further enhance the structure and reduce unnecessary expenses during the Reporting Period; (ii) as to Hong Kong market, our business was not as severely affected by the Novel Coronavirus as compared with our peers primarily because our cake shop business was less affected by the social distancing measures, and it put emphasis on the seasonal and festival products which has made a remarkable contribution to the Group’s income during the Reporting Period; (iii) based on the result of impairment assessment, there was a substantial decrease in impairment loss recognized for the Reporting Period as compared to that of the corresponding period in 2020, given no impairment loss is expected to be recognized for the Reporting Period while an impairment loss on non-financial assets under the cash-generating unit of restaurants, café and cake shops of approximately HK\$10 million was recognized for the year ended 31 March 2020; (iv) the Group received wages subsidies under the Employment Support Scheme launched by the government of the Hong Kong Special Administrative Region (the “**HKSAR**”) and subsidies from the Anti-epidemic Fund from the government of the HKSAR recorded as other income in the sum of approximately HK\$15.5 million for the Group’s business activities carried out in Hong Kong during the Reporting Period; and (v) the Group recognized an one-off unaudited gain of approximately HK\$1.9 million from the disposal of subsidiaries for the operation of Japanese curry restaurants under the trade name of Shirokuma Curry in late September 2020.

As at the date of this announcement, the Company is in the course of finalizing its annual results for the Reporting Period. The information contained in this announcement is only a preliminary assessment made by the Board based on the unaudited consolidated management accounts of the Group, which have not been reviewed by the audit committee of the Board and have not been audited by the Company's auditor.
